

CALL FOR BOOK CHAPTERS

INTERNATIONAL EDITED BOOK

INTEGRATING GENERATIVE ARTIFICIAL INTELLIGENCE AND OUTCOME-BASED EDUCATION (OBE)

Transforming Teaching, Learning, Assessment and Educational Innovation in the Age of Artificial Intelligence

ABOUT THE BOOK

Artificial Intelligence is rapidly reshaping the global education landscape by personalizing learning, enhancing instructional design, automating assessment, and enabling data-driven decision making. Outcome-Based Education (OBE) ensures that learning is aligned with clearly defined outcomes, promoting learner centricity, accountability and measurable success. The National Education Policy (NEP) 2020 strongly advocates the ethical and responsible integration of technology, including AI, to build future-ready learners and educators.

This edited book brings together researchers, educators, practitioners and policy makers to explore how Generative AI can strengthen OBE practices across school, higher and technical education.

The book aims to provide innovative frameworks, real-world case studies, and practical strategies for AI-enabled teaching, assessment, learning analytics, academic integrity, and inclusive education. It will serve as a valuable resource for advancing research, shaping policy and driving meaningful transformation in education worldwide.

WHY CONTRIBUTE?

- ✓ Be part of a timely and impactful academic contribution
- ✓ Share your research, insights and best practices
- ✓ Gain visibility among a global academic audience
- ✓ Support the advancement of intelligent, outcome-focused education
- ✓ No Publication Fee

BOOK HIGHLIGHTS

- ✓ International Edited Book
- ✓ ISBN
- ✓ DOI for every chapter
- ✓ Double Blind Peer Review
- ✓ Indexed Metadata
- ✓ International Editorial Board
- ✓ Certificate of Publication
- ✓ No Publication Fee (if applicable)

THEMES & SUB-THEMES

- | | | |
|---|--|---|
| <p>01 Generative AI and the Implementation of NEP 2020</p> <p>02 Generative AI for Achieving SDG 4: Quality Education</p> <p>03 Ethical, Responsible and Inclusive Use of AI in Education</p> <p>04 AI-Driven Learning Analytics and Educational Data Intelligence</p> <p>05 AI-Assisted Lesson Planning, Content Development and Instructional Design</p> | <p>06 Academic Integrity, Assessment Security and Responsible AI Use</p> <p>07 AI in Teacher Education and Professional Development</p> <p>08 AI-Supported Research, Academic Writing and Scholarly Communication</p> <p>09 AI for Inclusive, Accessible and Equitable Education</p> | <p>10 Future Classrooms: Smart Learning Environments and Educational Innovation</p> <p>11 AI Applications in School, Higher and Technical Education</p> <p>12 Policy, Governance and Leadership for AI-Integrated Education</p> <p>13 Case Studies, Best Practices and Innovative Models of AI-Integrated OBE</p> |

GENERAL GUIDELINES FOR AUTHORS

Manuscript Length 4000–7000 words	Language English	File Format MS Word (.doc/.docx)	Referencing Style APA 7th Edition	Similarity Maximum 10% AI-generated content must be properly edited and verified.
Peer Review Double Blind	T Formatting • Times New Roman • 12 pt • 1.5 spacing • 1-inch margin	Figures 300 dpi Editable	Tables Editable	References APA 7

- Author Declaration**
- Original Work
 - No Simultaneous Submission
 - Copyright Compliance

WHAT AUTHORS RECEIVE

DOI for Each Chapter	Edited Book (PDF)	Certificate of Publication	ISBN Book	International Visibility	Academic Networking

WHY PUBLISH IN THIS BOOK?

AI in Education Explore cutting-edge AI applications for transforming education.	International Visibility Reach a global audience and increase your academic impact.	Quality Publication Rigorous peer review and high publishing standards for quality assurance.	Research Impact Enhance citations, knowledge dissemination and societal impact.	Academic Collaboration Connect with global scholars, experts and practitioners.	Future-ready Education Contribute to building innovative, ethical and inclusive learning environments.

PAPER SUBMISSION

Submission Period:

15th July 2026 to 15th August 2026

EDITORIAL TEAM

CHIEF EDITOR

Dr. Vimal Singh

Assistant Professor
School of Teacher Education
Chhatrapati Shahu Ji Maharaj
University, Kanpur

CO-EDITOR

Saumya Tripathi

Post Graduate Scholar
